

## Meijer Drive Paving August 23, 2011

The City of Royal Oak will be reconstructing the west end of Meijer Drive starting the week of September 6, 2011. During construction Meijer Drive will be closed to through traffic within the construction zone. Access to properties along the north side of Meijer Drive will be from Crooks Road only for the duration of the project. Construction is anticipated to be complete and Meijer Drive fully open to traffic by mid November.

The existing asphalt pavement on Meijer Drive in Royal Oak will be replaced with concrete. The schedule for starting pavement saw cutting, pavement removal and replacement is the week of September 6<sup>th</sup>, weather permitting. Full closure of Meijer Drive within the construction zone will expedite the work and allow the project to be completed before winter.

Thank you for your patience and cooperation during construction. Should you have any questions concerning this project, please call the City of Royal Oak Engineering Department, 248.246.3260.

Sincerely,

*Steven J. Vandette*
